ABOUT US

OUR COMPANY

Welcome to Phalanx Tactical Precision, your premier destination for top-notch tactical firearms accessories. Based in the heart of Northwest Iowa, our company is dedicated to providing quality, unique firearm accessories for a diverse range of shooting enthusiasts. Whether you are a hunter seeking reliable gear, a homeowner focused on defense, or a professional shooter demanding the highest standards, we have the perfect solutions for you.

With a steadfast commitment to American-made excellence, we proudly manufacture all our products and source all materials right here in the USA. We stand firm on this principle, ensuring that every item meets our high standards of craftsmanship and quality.

Our leadership team brings over 40 years of experience in CNC applications engineering. With five CNC lathes acquired in the last four years and two CNC mills, our passion lies in the art of precision craftsmanship. Utilizing these advanced machines, we meticulously create each item to exact measurements, delivering unparalleled quality and performance. Our extensive selection of tactical and precision firearms accessories reflects our commitment to innovation, faith-driven values, and excellence in every detail.

OUR MISSION

At Phalanx Tactical Precision, our mission is to create high-quality firearm accessories that not only exceed our customers' expectations but also reflect our faith-centered values. We are dedicated to leading the industry in innovative design, crafting unique products that we are proud to stand behind. Guided by our commitment to integrity and excellence, we aim to push the boundaries of precision in everything we do, ensuring each item embodies our dedication to quality and our passion for enhancing the shooting experience with purpose and integrity.

OUR SUPPORT

Phalanx Tactical Precision is honored to support the brave men and women who serve and protect the freedoms and liberties of the United States of America. Our gratitude extends to:

- Military Service Members (Active, Reserve, Retired, Veteran)
- Law Enforcement Officers
- First Responders
- Government Agency Employees
